10	LA Gators "A"	4	4	0	.500	Won 1	108	107

These rankings are calculated based on several factors (strength of schedule/conference and quality wins/losses) and not just records or points scored. This does not serve as a prediction to the outcome of the season or playoffs. These are not the final rankings and will/may change throughout the remainder of the season. This can only be decided on the playing field.
