### **THE NATIONAL YOUTH FOOTBALL CHAMPIONSHIPS**

The National Youth Football Championships (<http://football.thenationals.net>) remains the oldest and largest youth football & cheerleading competition in the nation. With over 35 years of experience and 200-plus football and cheer groups attending the event every year, the NYFC remains the most highly respected youth sporting event held in North America for kids ages 7-16.

The NYFC event provides the finest overall family and team experience available. Former players and cheerleaders now return as coaches, each with their amazing memories of their days at the NYFC and now coaching in this fantastic family football & cheer weekend. Supported for decades by Wilson Sports, the NYFC simply has no peers as the safest, most elaborate and exciting post-season home for youth football and cheerleading anywhere in North America.

Recently, the National Youth Football Championships began sending out initial invite materials to their upcoming post-season tournament, to be held Thanksgiving Weekend, November 25<sup>th</sup>-28<sup>th</sup>, 2009. Every youth football team in the country playing organized youth sports is eligible to attend and these invitations get the ball rolling in groups everywhere. Most returning groups are now organizing & planning their attendance at the NYFC. THIS EMAIL IS BEING SENT TO YOU TO ENCOURAGE YOUR GROUP TO LOOK AT ATTENDING THE NYFC IN 2009! It is our hope that you will contact us and ask why over 250,000 players, coaches and parents have attended the annual National Youth Football Championships since 1972.

Sports Network International is always looking for new organizations to attend and experience the NYFC. The NYFC is never looking for more organizations to attend, but we are always looking for deserving teams and leagues to attend; those with caring, knowledgeable coaches, solid parent support and clean, disciplined football players are always sought-after and welcomed at the National Youth Football Championships. These are the types of teams that typify the NYFC groups. Since teams make the decision to attend the event in many cases before their season even begins, the NYFC is a celebration and reward for a year of hard work and sacrifice. The NYFC is all about the kids and will always ensure their safety and well-being come first.

Both the Eastern NYFC (held in Daytona Beach, FL) & Western NYFC (held in Las Vegas, NV) will be completely full later this fall. It is our hope that you will take a moment now to go to the NYFC website, read through the invitation and the FAQ, call us at 800/327-9311 or email SNI to ask any additional questions, and then look at attending the event this year for memories that your kids & coaches will remember a lifetime.
