## The Heart Of A Lion Classic 2010 Senior Class Showcase

### Concept:

The Heart Of A Lion Classic is Louisiana Youth Football's version of a college Senior Bowl. The game matches the East versus West. The teams representing each side consists of players from the AAA: 11-12 Division, who have played their last year with our league (i.e. made/making 13 in this calendar year). This is our opportunity to showcase the talent that our league is sending to the high school ranks and honor students who have participated in our program. Accompanying this classic match-up are several social, character, & educational events. These events are designed to further prepare our graduating seniors as they embark on the next chapter of their careers and lives.
